

What is Financial Aid

Types of Aid	Sources of Aid

- Have a high school diploma or General Educational Development (GED) diploma
- Be enrolled in, or accepted to, an institution participating in federal financial aid programs

The FAFSA

With the Free Application for Federal Student Aid (FAFSA), you can apply for financial aid for multiple colleges and funding sources. Simply visit fafsa.gov to begin your online application.

The FAFSA is available beginning October 1. If you are planning to attend college fall 2021, you should complete the 2021-2022 FAFSA after October 1, 2020.

How is your financial need calculated?

In general, your financial need is determined by two factors:

- Cost of Attendance (COA) is tuition, fees, room and board, transportation and other costs associated with attendance established by the college/university.
- Expected Family Contribution (EFC) is determined from what you report on the FAFSA.

$$\text{COA} - \text{EFC} = \text{Financial Need}$$

What Happens Next?

- Once you have completed and submitted your FAFSA, you will receive a Student Aid Report (SAR) in 3-5 days. Your SAR is a summary of the information you reported on the FAFSA.
- Colleges listed on your FAFSA will receive and review the Institutional Student Information Record (ISIR) after your FAFSA has been submitted. This is the information schools use to determine your aid eligibility.
- Once the college/university has reviewed the ISIR, a financial aid package is generated and sent to you via email or regular mail. Contact the college/university about their timeframe for this process.

Other Financial Aid Applications

The FAFSA may not be the only application you have to submit in order to receive financial aid. You may also need to complete other institutional applications. Be sure to contact the colleges/universities of interest or visit their website(s) to find out what other forms or applications are required.

The Georgia Student Finance Application (GSFAPP) is also an acceptable application method for some of the scholarship and grant programs administered by the Georgia Student Finance Commission (GSFC), such as the HOPE Scholarship. You can complete the GSFAPP on GAfutures.org.
